It Serves Me Right To Suffer

John Lee Hooker

It serves me right to suffer It serves me right to be alone It serves me right to suffer It serves me right to be alone

You see, I'm living in the memory Of a day that has passed and gone

Every time I see a woman You know it makes me think about mine Every time I see a woman You know it makes me think about mine

You see, I'm living in the memory Of a woman I've left behind

It serves me right to suffer It serves me right to be alone It serves me right to suffer It serves me right to be alone

Now I'm living in the memory Of a woman that has passed and gone
