

Burning Down the House

John Legend

Watch out you might get what you're after
Cool baby strange but not a stranger
Ever since we came this way
We're burning down the house

Hold tight wait till the party's over
Hold tight we're in for nasty weather
Three hundred sixty five degrees
We're burning down the house

Here's your ticket pack your bag
Time for jumpin' overboard
Transportation is here
Close enough but not too far
Maybe you know where you are
Fightin' fire with fire

Burning down the house

All night this crowd is moving something
That's right, don't wanna hurt nobody
This things will knock you off your feet
We're burning down the house

Here's your ticket, pack your bag
Time for jumpin' overboard
Transportation is here, yeah, yeah
Close enough but not too far
Baby you know where you are
Fightin' fire with fire

So hold tight
Hold tight wait till the party's over
Hold tight we're in for nasty weather
Three hundred sixty five degrees
We're burning down the house

Do it again now
Do it again say
Burning down the house
Burning down the house
