

# Every Man Has a Woman Who Loves Him

John Lennon

Every man has a woman who loves him  
In rain or shine or life or death  
If he finds her in this life time  
He will know when he presses his ear to her breast

Why do I roam when I know you're the one  
Why do I laugh when I feel like crying

Every woman has a man who loves her  
Rise or fall of her life and death  
If she finds him in this life time  
She will know when she looks into his eyes

Why do I roam when I know you're the one  
Why do I run when I feel like holding you

Every man has a woman who loves him  
If he finds her in this life time  
He will know
