

# Hold On

John Lennon

Hold on John, John hold on  
It's gonna be alright  
You gonna win the fight  
Hold on Yoko, Yoko hold on  
It's gonna be alright  
You're gonna make the fight

When you're by yourself  
And there's no one else  
You just have yourself  
And you tell yourself  
Just to hold on (Cookie!)

Hold on world, world hold on  
It's gonna be alright  
You're gonna see the light

When you're one  
Really one  
Well you get things done  
Like they've never been done  
So hold on
