

# I'm Stepping Out

John Lennon

Woke up this morning blues around my head  
No need to ask the reason why  
Went to the kitchen and lit a cigarette  
Blew my worries to the sky

I'm stepping out  
I'm stepping out  
I'm stepping out  
I'm stepping out

If it don't feel right you don't have to do it  
Just leave a message on the phone and tell them to screw it  
After all is said and done you can't go pleasin' everyone  
So screw it...

I'm stepping out  
I'm stepping out  
I'm stepping out baby  
I'm stepping out

Baby's sleeping the cats have all been blessed  
Ain't nothing doing on TV (summer repeats)  
Put on my space suit I got to look my best  
I'm going out to do the city

I'm stepping out  
I'm stepping out  
I'm stepping out babe  
I'm stepping out (boogie)

I'm stepping out (hold it down)  
I'm stepping out  
I'm stepping out  
Gotta gotta gotta gotta get out  
I'm stepping out babe  
Just awhile  
Ain't been out for days...
