

Scared

John Lennon

I'm scared, I'm scared, I'm scared
I'm scared, so scared
I'm scared, I'm scared, I'm scared
As the years roll away
And the price that I paid
And the straws slips away

You don't have to suffer
It is what it is
No bell book or candle
Can get you out of this, oh no!

I'm scarred, I'm scarred, I'm scarred
I'm scarred, uh huh
I'm scarred, I'm scarred, I'm scarred
Every day of my life
I just manage to survive
I just want to stay alive

You don't have to worry
In heaven or hell
Just dance to the music
You do it so well, well, well!

Hatred and jealousy, gonna be the death of me
I guess I knew it right from the start
Sing out about love and peace
Don't want to see the red raw meat
The green eyed goddamn straight from your heart

I'm tired, I'm tired, I'm tired
Of being so alone
No place to call my own
Like a rollin' stone
