Sleepless night
The moon is bright
All I'm asking for is
Three minute love

Legs

What am I going to do with my legs They're so hot, they won't stay on the cot And they're screaming!

Sleepless night
All I'm asking for is
Three minute love

Head

What am I going to do with my head It's so light, it just gives me the fright It's full of champagne and dreams

Sleepless night
All, all I'm asking for is
Three minute love

This brush must sell like crazy
I mean there's a lot of lonely people out there
I wanna go to the ball
I wanna give it all, I'll take it all

Sleepless night
All I'm asking for is
What am I asking for?
