

# This Is Not A Love Song

John Lydon

This is not a love song  
This is not a love song  
This is not a love song

This is not a love song  
This is not a love song  
This is not a love song  
This is not a love song

Happy to have, not to have not  
Big business is very wise  
I'm crossing over into  
free enter-prize

Love song  
Love song  
Love song  
Love song

I'm going over to the other side  
I'm happy to have not to have not  
Big business is very wise  
I'm inside free enterprise

I'm adaptable  
I'm adaptable

I'm adaptable and I like my new role  
I'm getting better and better  
And I have a new goal  
I'm changing my ways where money applies

This is not a love song  
This is not a love song  
This is not a love song  
This is not a love song

Now are you ready to grab the cradle  
That tunnel vision not television  
Behind the curtain out of the cupboard  
YOu take the first train into the big world  
Now will I find you now will you be there

This is not a love song  
This is not a love song  
This is not a love song  
This is not a love song
