

# Deep Blue Sea

**John Mayall**

My loving woman and me lying in the sand We re on a holiday out  
in a foreign land Sunny day We can play Lazing by the deep blu  
e sea Happy now that we are free This is how it ought to be We  
are on our own Go underwater and see another world of green Fis  
hes go by and I get to wondering where they ve been Sunny day W  
e can play Lazing by the deep blue sea Happy now that we are fr  
ee This is how it ought to be We are on our own Take out a boat  
and paddle it around the bay Pressures from the world seem to  
fade away Sunny day We can play Sailing on the deep blue sea Ha  
ppy now that we are free This is how it ought to be We are on o  
ur own
