

Dirty Old Egg Sucking Dog

Johnny Cash

1. Well, he's not very handsome to look at
He's shaggy and he eats like a hog
And he's always out killin' my chickens,
That dirty old egg sucking dog.

R: Egg sucking dog,
I'm gonna stomp your head in the ground.
If you don't stay out of my hen house.
You dirty old egg sucking hound.

2. Now if he don't stop eating my eggs up,
Though I'm not a real bad guy,
I'm gonna take my riffle and send him
To that big chicken coop in the sky.

R: Egg sucking dog...
