

I Can't Help It If I'm Still in Love With You

Johnny Cash

Today I passed you on the street and my heart fell at your feet
I can't help it if I'm still in love with you
Somebody else stood by your side and he looked so satisfied
I can't help it if I'm still in love with you

A picture from the past came slowly stealing
As I brushed your arm and walked so close to you
Then suddenly, I got that old time feeling
I can't help it if I'm still in love with you

It's hard to know, another's lips will kiss you
And hold you just the way I used to do
Oh, Heaven only knows how much I miss you
I can't help it if I'm still in love with you
