

## Michigan City Howdy Do

Johnny Cash

Well johnson van dyke grigsby was paroled in '89  
He never walked on a carpet never tasted dinner wine  
His old eyes were slowly fadin' as he walked out of the gate  
And he breathed the first free air he'd breathed since 19-0-8  
Howdy do michigan city you're sure pretty sight  
But I know there's bigger citties and more excitin' nights  
But I think your girls're pretty and I love your children too  
Michigan city indiana howdy do michigan city indiana howdy do  
Michigan city indiana howdy do

Filled with the joy of freedom he didn't know that he was old  
Cause time don't really matter when it's bubblin' in your soul  
Well I don't think he was bitter cause he sure had a smile  
And down the streets of michigan city he walked his first free  
miles  
Howdy do michigan city....
