

# Remember Me

Johnny Cash

When you're all alone and blue  
No one to tell your troubles to  
Remember me, I'm the one who loves you

When this world has turned you down  
And not a true friend can be found  
Remember me, I'm the one who loves you

And through all kinds of weather  
You'll find I'll never change  
Through the sunshine and the shadows  
I'll always be the same

We're together right or wrong  
Where you go I'll tag along  
Remember me, I'm the one who loves you

(And through all kinds of weather  
You'll find I'll never change)  
Through the sunshine and the shadows  
I'll always be the same

We're together right or wrong  
Where you go I'll tag along  
Remember me, I'm the one who loves you  
Remember me, I'm the one who loves you
