

What Other Reason

Johnny Hates Jazz

I've tried so hard
To make you understand
That this is not a lie
Believe in me
And if you take my hand
And look me in the eyes

What other reason can I give to you
When I want you and I need you
What other reason can I give to you
When I want you, 'cos I love you

The two of us
Have got a fighting chance
But you don't want to win
Now is the time
You gotta, break the chains
But don't you dare give in

How much stronger must I stay
Until you find out you believe
In love
