Beyond the Sea

Johnny Mathis

Somewhere beyond the sea somewhere waiting for me my lover stands on golden sands and watches the ships that go sailin'

Somewhere beyond the sea she's there watching for me If I could fly like birds on high then straight to her arms I'd go sailin'

It's far beyond the stars
it's near beyond the moon
I know beyond a doubt
my heart will lead me there soon

We'll meet beyond the shore we'll kiss just as before Happy we'll feel beyond the sea and never again I'll go sailin'

I know beyond a doubt
my heart will lead me there soon
We'll meet (I know we'll meet) beyond the shore
We'll kiss just like before
Happy we'll be beyond the sea
and never again I'll go sailin'

no more sailin' so long sailin' bye bye sailin'... move on out captain
