## How Deep Is Your Love

**Johnny Mathis** 

I know your eyes in the morning sun I feel you touch me in the pouring rain And the moment that you wander far from me I wanna feel you in my arms again

And you come to me on a summer breeze Keep me warm in your love and then softly leave And it's me you need to show

How deep is your love I really need to learn Cause were living in a world of fools Breaking us down When they all should let us be We belong to you and me

I believe in you You know the door to my very soul You're the light in my deepest darkest hour You're my savior when I fall And you may not think I care for you When you know down inside That I really do And it's me you need to show

How deep is your love I really need to learn Cause were living in a world of fools Breaking us down When they all should let us be We belong to you and me
