I Need You

Johnny Mathis

When I need you I just close my eyes and I'm with you And all that I so wanna give you It's only a heartbeat away

When I need love I hold out my hands and I touch love I never knew there was so much love Keeping me warm night and day

Miles and miles of empty space in between us The telephone can't take the place of your smile But you know I won't be travelin' forever It's cold out but hold out and do I like I do

When I need you I just close my eyes and I'm with you And all that I so wanna give you babe It's only a heartbeat away

It's not easy when the road is your driver Honey that's a heavy load that we bear But you know I won't be traveling a lifetime It's cold out but hold out and do like I do

Oh, I need you

When I need love I hold out my hands and I touch love I never knew there was so much love Keeping me warm night and day

When I need you Just close my eyes And you're right here by my side Keeping me warm night and day

I just hold out my hands I just hold out my hand And I'm with you darlin' Yes, I'm with you darlin' All I wanna give you It's only a heartbeat away
