

## In the Wee Small Hours of the Morning

Johnny Mathis

In the wee small hours of the morning  
While the whole wide world is fast asleep  
You lie awake thinking of the girl  
Never even think of counting sheep

While the whole wide world has learned it's lesson  
She'd be yours if only she would call  
In the wee small hours of the morning  
It's the time I miss her most of all

In the wee small hours of the morning  
While the whole wide world is fast asleep  
You lie awake thinking of the girl  
Never even think of counting sheep

While the whole wide world has learned it's lesson  
She'd be yours if only she would call  
In the wee small hours of the morning  
It's the time I miss her most off all
