

# My Body Keeps Changing My Mind

Johnny Mathis

You, you're turning me on  
You're making me high  
And I just can't help it  
I should give it some time  
And wait for the right time  
That's calling me

You, you're driving me wild  
You're making me fall in love  
In love with you baby, I  
I'm losing control  
I don't wanna let go yet  
Till you want me

But my body keeps changing my mind  
Keeps changing my heart  
When we're dancing  
My body says love you tonight  
To drive me out of my mind  
When we're dancing

Well I know it wouldn't be right  
To say take me home tonight  
But when we get to dancing  
When I see you dancing  
When it comes to dancing

My body keeps changing my mind

You, you're all that I need  
You're all that I want  
And I'd sure love to love you, I  
I gotta go slow  
Keep it under control now  
Till you want me

But my body keeps changing my mind  
Keeps changing my heart  
When we're dancing  
My body says love you tonight  
To drive me out of my mind  
When we're dancing

Well I know it wouldn't be right  
To say take me home tonight  
But when we get to dancing  
When I see you dancing  
When it comes to dancing

My body keeps changing my mind

But my body keeps changing my mind  
Keeps changing my heart  
When we're dancing  
My body says love you tonight  
To drive me out of my mind  
When we're dancing

Well I know it wouldn't be right  
To say take me home tonight  
But when we get to dancing  
When I see you dancing  
When it comes to dancing

My body keeps changing my mind  
When we're dancing  
My body keeps changing my mind  
When we're dancing
