

My Darling, My Darling

Johnny Mathis

Why don't you stand?
Stand by me
Oh my darlin'
Stand by me

I ain't pop no molly
But you still got me sweatin'
What happened to that feeling?
No never get it back
I ain't take no shots, but you still got me hot
What happened to the feeling? I wish it wouldn't stop

We were 'bout to be together
We were 'bout to be together

They say that love can hit you so fast
Plenty odds are running out of time
But ours is on the border walk baby
Take me as I am or not
I can't breathe without you, without you as mine

Why don't you stand?
Stand by me
Oh my darlin'
Stand by me
'Cause we gon' make a movie, a movie
And it's gon' be in 3D, in 3D
And we gon' make a movie, a movie
And it's gon' be in 3D, in 3D

My darlin', stand by me
3D, movie, 3D, 3D

Why don't you stand?
Stand by me
Oh my darlin'
Stand by me
'Cause we gon' make a movie, a movie
And it's gon' be in 3D, in 3D
And we gon' make a movie, a movie
And it's gon' be in 3D, in 3D

Why don't you stand?
Stand by me
Oh my darlin'
Stand by me
