

One More Night

Johnny Mathis

Everyone keeps telling me
I'm something I'm not
They fill me with questions
That tear me apart

But through it all
It was you who pulled me out
Please don't leave me now

Just give me one more night
To hold you, one more night
Give me one more night
To have you near

There's a man at the train stop
With tears in his eyes
It reminds me of so long ago
When I was able to cry

Now I'm strong
Slip away and laugh along
Anyone who needs someone blue

Give me one more night
To hold you, one more night
Give me one more night
To have you near

What can I say
To make you stay?
I'd do anything
(I'd do anything)
I'd give everything
(I'd give everything)

To have just one more night
To hold you, one more night
Give me one more night
To have you near

One more night
