

# One Starry Night

Johnny Mathis

One starry night as I lay sleepin'  
One starry night as I lay in bed  
Dreame I heard wagon wheels a'creakin'  
When I awoke, love, found you had fled

I'll search the highways likewise the byways  
I'll search the boroens, the camping places too  
I will inquire of all our people  
Have they tidings or sight of you

For it's many's the mile, love, with you I've traveled  
Many's the hour, love, with you I've spent  
Dreame you were my love forever  
But now I find, love, you were only lent

I'm drunk today, I'm seldom sober  
A handsome rover from town to town  
When I am dead, my story ended  
Molly Bn a stoirn, come lay me down

One starry night as I lay sleepin'  
One starry night as I lay in bed  
Dreame I heard wagon wheels a'creakin'  
Now that you're gone, love, I might as well be dead
