

Summer Me, Winter Me

Johnny Mathis

Summer me, winter me
And with your kisses morning me, evening me
And as the world slips far away, star away
Forever me with love

Wonder me, wander me
Then by a fire pleasure me, peaceful me
And in the silence quietly whisper me
Forever me with love, forever me with love

And every day I'll gentle you, tender you
And oh, the way I'll velvet you, clover you
I'll wrap you up and ribbon you, rainbow you
And shower you with shine

Suddenly, magically we found each other
There we were, here we are
I plan to let you happy me
Summer me, winter me, always be mine

Suddenly, magically we found each other
There we were, here we are
I plan to let you happy me
Summer me, winter me, always be mine

I plan to let you happy me
Summer me, winter me, always be mine
