

# We Need a Little Christmas

Johnny Mathis

Haul out the holly  
Put up the tree before my spirit falls again  
Fill up the stocking  
I may be rushing things but deck the halls again now

For we need a little Christmas right this very minute  
Candles in the window, carols at the spinet  
Yes, we need a little Christmas right this very minute  
Hasn't snowed a single flurry, but Santa dear we're in a hurry

Climb down the chimney  
Turn on the brightest string of lights I've ever seen  
Slice up the fruit cake  
It's time we've hung some tinsel on the evergreen bough

For I've grown a little leaner, grown a little colder  
Grown a little sadder, grown a little older  
And I need a little angel sitting on my shoulder  
Need a little Christmas now

For we need a little music, need a little laughter  
Need a little singing ringing through the rafter  
And we need a little snappy, happy ever after  
Need a little Christmas now
