

# We're All Alone

Johnny Mathis

Outside the rain begins  
And it may never end  
So cry no more  
On the shore a dream  
Will take us out to sea  
Forever more, forever more

Close your eyes and dream  
And you can be with me  
'Neath the waves  
Through the caves of hours  
Long forgotten now  
We're all alone, we're all alone

Close the window, calm the light  
And it will be all right  
No need to bother now  
Let it out, let it all begin  
Learn how to pretend

Once a story's told  
It can't help but grow old  
Roses do, lovers too,  
So cast your seasons to the wind  
And hold me dear, oh-oh-oh, hold me dear

Close the window, calm the light  
And it will be all right  
No need to bother now  
Let it out, let it all begin  
All's forgotten now  
We're all alone, ooh-ooh, we're all alone

Close the window, calm the light  
And it will be all right  
No need to bother now  
Let it out, let it all begin  
Owe it to the wind, my love
