

# Can't Help Myself

Johnny Rivers

Sugar pie honey bunch you know that I love you  
I can't help myself I love you and nobody else

Wanna tell in and out my life you come and go  
Leaving just your picture behind  
and I kissed it a thousand times  
When you snap your finger or wink your eye I come a running to  
you  
I'm tied to your apron strings and there's nothing I can do

Sugar pie honey bunch I'm weaker than a man should be  
I can't help myself I'm a fool in love you see  
Wanna tell you I don't love you tell you that we're through and  
I've tried  
But every time I see your face I get all choked up inside

When I call your name girl it starts the flame burning in my heart  
tearin it all apart no matter how I try my love  
I cannot hide 'cause

Sugar Pie Honey Bunch you know that I'm weak for you  
Can't help myself I love you and nobody else  
Sugar Pie Honey Bunch do anything you ask me to  
Can't help myself I want you and nobody else  
Sugar Pie Honey Bunch you know that I love you  
You know that I love you  
Can't help myself, no I can't help myself
