

Can't Hold Out (Talk to Me Baby)

Johnny Winter

I just talked to my baby on the telephone
She said, "Stop what you're doing, come on home"
I can't hold out, I can't hold out too long
I get a real good feelin' talking to you on the phone

You said, "Baby don't you worry, don't you cry.
You know that I love you baby, you're my heart's desire"
I can't hold out, can't hold out too long
I get a real good feeling, talking to you on the phone

She said, "Baby you can run, you can walk or fly
You know I love you baby, you're my hearts desire"
I can't hold out, I can't hold out too long
I get a real good feeling talking to you on the phone.

You said, "Baby don't you worry, you're my heart's desire
You know that I love you, I can't stand to see you cry"
I can't hold out, can't hold out too long
I get a real good feeling, talking to you on the phone

She said, "Baby you can run, you can walk or fly
You know I love you baby, you're my hearts desire"
Can't hold out, can't hold out too long
I get a real good feeling talking to you on the phone.

Well, talk to me baby, talk to me baby
I said, talk to me baby, talk to me baby
Talk to me baby, talk to me baby
I said, talk to me baby, talk to me baby
I get a real good feelin' talking to you on the phone
