

Easy Lovin' Girl

Johnny Winter

I ask every single day
How could I fall in love this way
With a girl I've never seen before
A girl I wanna see much more

Easy lovin' girl
The easy lovin' girl
Oh she's a-one in a million
Easy lovin' girl, alright...

Never really had a home
I'll weave up on the roam
But I found a place to stay
Since that girl came my way

Easy lovin' girl
The easy lovin' girl
Oh she's a-one in a million
Easy lovin' girl, yeah...

YEAH!

Never been in love before
With a girl on first sight
How could I fall in love with this one girl
When I saw her that first night?

Easy lovin' girl
Mmmm, easy lovin' girl
Oh she's a-one in a million
Easy lovin' girl

Easy lovin' girl...
Ah, easy lovin' girl...
Yeah, easy lovin' girl
Uh, easy, easy lovin' girl
Oh don't you know, easy lovin' girl
Easy lovin' girl
Never had a home, yeah
Easy lovin' girl...
