

# I Got My Brand on You'

Johnny Winter

I got my brand on you  
I got my brand on you  
I got my brand on you  
I got my brand on you  
There ain't nothin' you can do, honey  
I got my brand on you

Oh, you may go away and leave me, girl  
I declare you can't stay  
You gon' come runnin' back  
To me some lonesome day

I got my brand on you  
I got my brand on you  
There ain't nothin' you can do, darlin'  
I got my brand on you

Oh, I'ma puttin' my brand  
You know, baby, on no certain part  
But whenever I kiss you  
I stab it in your heart

I got my brand on you  
I got my brand on you  
There ain't nothin' you can do, baby  
I got my brand on you

Oh, I got you like a fish, baby  
You know, hangin' on my line  
I can reel you in  
'Most any time

I got my brand on you  
I got my brand on you  
There ain't nothin' you can do, baby  
I got my brand on you
