

## Route 90

Johnny Winter

Oh wont you come with me  
To the land of dreams  
Rollin' down Rt. Ninety, to New Orleans  
Straight outta California to New Mexico  
Gonna get a cup of coffee, in El Pas-o

Roll on through Comstock to San Antone  
Gonna call my baby on the telephone  
We'll pass through Katy and Houston too  
Stop in Beaumont Texas, for some barbeque

Hot links and hog ribs, fillet gumbo

At the Bon Ton drivein, that's the place to go  
Then Jennings and Crowley, Lake Charles and Rain  
When you get to Lafayette boy, you'll see 'em cuttin' cane.

In Morgan City, where the shrimp boats land  
Put a nickle in the juke box, you'll hear a Cajun band  
Ain't ya glad you come along, boy, to the land of dreams?  
Rollin' down Rt. Ninety, to New Orleans.
