

Too Much Seconal

Johnny Winter

Woke up this morning
I couldn't hardly keep from cryin'
Well I've got this smile on
I couldn't hardly keep from cryin'
Cause you know I was thinkin'
About an old friend of mine
Ah now ya used to be so beautiful
But I don't believe you gonna last
Used to be beautiful
Well I don't see how you gonna last
Babe if you don't stop the way ya doin'
Oh woman you know you live your life too fast
Yeah baby I don't believe you no good at all
Oh baby I don't believe you no good at all
Well woman cause you've been drinkin' too much whisky
I believe you're takin' too much Seconal
