

# Treat Me Like You Wanta

Johnny Winter

You can treat me like you wanta honey  
Use me like a tool  
Well you treat me like you wanta  
Use me like a fool  
You know I'll be your man  
But I ain't gonna be your fool

You know that people are talkin'  
In my neighbourhood  
Yeh you know that people are talkin'  
In my neighbourhood  
They tell me you don't love me,  
That you don't mean me no good

Well when your rent is due  
I know when you'll come around  
But when I need some lovin' girl  
You can't be found

You treat me like you wanta  
Use me like a tool  
Well I'll be your man  
But I ain't gonna be your fool

[Instrumental]

You know we're playin' poker  
And the last deal just went down  
If you can't get it right  
You'd better get out of town

You treat me like you wanta  
Use me like a fool  
Well I'll be your man  
But I ain't gonna be your fool
