

Caught Up in the Rapture

Jojo

When we met
Always knew I would feel that magic for you
On my mind, constantly
In my arms is where you should be!
(Da Internz, it's the Remix)

I love you here by me baby
You let my love live free
I want you in my life - for all time
Aaaa-aaa,
Caught in the RAPTURE OF LOVE
Nothing else can't compare
When I feel the MAGIC OF YOU
Aaa-aaaa

We stay side by side 'til the storms of light
Passes by
Line my life, won my heart
Say tonight we'll be just the start!
I love you here by me baby
You let my love live free
I want you to be with me - for all time
Aaaa-aaa,
Caught in the RAPTURE OF LOVE
Nothing else can't compare
When I feel the MAGIC OF YOU
Aaa-aaaa
Feelings always knew
When I'm caught up in the RAPTURE OF YOU
Aaaa-uuuh yeah!

I love you here by me baby
You let my love live free
I want you to be with me - for all time
Aaaa-aaa
Caught in the rapture of love
Nothing else just can't compare
When I feel the MAGIC OF YOU
Feelings always knew,
Caught up in the RAPTURE OF YOU!

LOVE YOU-UUU!
