

# Get It Poppin'

Jojo

And the beat goes ta-tat-ta-tat-tat, uh  
JoJo  
Insomniac

I don't wanna stay home tonight  
Just wanna go out with my girls  
Find some fellas that we like  
And I just got a new fit (uh huh)  
I got the matchin shoes to go with it  
And I'm lookin good when I'm in it

But I'm only fifteen and the bouncers at the door all want ID  
I can flirt but they won't let me in  
I'll take it to the street then

We gonna party in the street outside the club  
Cause we can't get in, we not old enough  
We gonna get it poppin, make it hot  
Gonna bring my record in the parkin lot  
And when the club close down and it's time to go  
We'll be out here hostin the after-show  
We gonna keep it poppin, keep it hot  
Gonna bring the record in the parkin lot

Oh-oh, oh-oh-oh-oh, oh-oh  
Oh-oh, oh-oh-oh-oh  
Oh-oh, oh-oh-oh-oh, oh-  
oh (Get it poppin, keep it hot, bring the record in the parkin lot)  
Oh-oh, oh-oh-oh-
