

## Note to God

Jojo

If I wrote a note to God  
I would speak what's in my soul  
I'd ask for all the hate  
to be swept away,  
For love to overflow  
If I wrote a note to God  
I'd pour my heart  
out on each page  
I'd ask for war to end  
For peace to mend this world  
I'd say, I'd say, I'd say

Give us the strength to make it through  
Help us find love  
cause love is over due  
And it looks like we haven't got a clue  
Need some help from you  
Grant us the faith to carry on  
Give us hope  
when it seems all hope is gone  
Cause it seems like so much is going wrong  
On this road we're on

If I wrote a note to God  
I would say what on my mind  
I'd ask for wisdom to  
let compassion rule this world  
Until these times  
If I wrote a note to God  
I'd say please  
help us find our way  
End all the bitterness,  
put some tenderness in our hearts  
And I'd say, I'd say, I'd say

Give us the strength to make it through  
Help us find love  
cause love is over due  
And it looks like we haven't got a clue  
Need some help from you  
Grant us the faith to carry on  
Give us hope  
when it seems all hope is gone  
Cause it seems like so much is going wrong  
On this road we're on

No, no, no  
We can't do this on our own  
So

Give us the strength to make it through  
Help us find love  
cause love is over due  
And it looks like we haven't got a clue  
Need some help from you  
Grant us the faith to carry on  
Give us hope

when it seems all hope is gone  
Cause it seems like so much is goin wrong  
On this road we're on

If I wrote a note to God
