

Dead Man Walking

Jon Bellion

Call my doctor, call my lawyer
Call my brother, call my priest
There's paperwork to fill out
Cuz a dead man walks the streets
Cuz my sister has a best friend
That I've known since I was three
And now I'm gon' get strangled
Cuz we tangled in the sheets
My homies like
Dead man, dead man walking
My homies like you a dead man, dead man walking

yeah uh
Beautiful family friend is she
Almost a decade older than me
And I been gone quite a while over seas
yeah and she's been living up in Albany
yeah yeah
Then I had two shows I played upstate
She came to show love and see my face
Then we got drinks and we chilled like hey
And then from there it was, you know

Call my doctor, call my lawyer
Call my brother, call my priest
There's paperwork to fill out
Cuz a dead man walks the streets
Cuz my sister has a best friend
That I've known since I was three
And now I'm gon' get strangled
Cuz we tangled in the sheets
My homies like
Dead man, dead man walking
My homies like you a dead man, dead man walking
My homies like dead man dead man walking
My homies like dead man dead man walking

yeah
Now she's like damn
How did we let this happen
Damn
How did we end up in this bed
then I said relax and laughed like
This would be a pretty dope song
She's like no
I swear to god I'll kill you
No, i really will just take your life no
Don't even think about it
But that would be a pretty dope song
So I came home and I called my friends
Then we got smacked and I wrote this jam
I know for a fact that we gon'
(*laughs* It's over, my life is dead ass over)

Call my doctor, call my lawyer
Call my brother, call my priest
There's paperwork to fill out

Cuz a dead man walks the streets
Cuz my sister has a best friend
That I've known since I was three
And now I'm gon' get strangled
Cuz we tangled in the sheets
My homies like
Dead man, dead man walking
My homies like you a dead man, dead man walking
My homies like dead man dead man walking
My homies like you a dead man dead man walking
