You know that he trusts you and I know that he loves you But somehow you convinced me again My foundation rumbles and all my morals crumble My father's warnings run through my head

Your heart's a vine that I've bled trying to climb Yeah, you're making a ruin of me Try to survive, keep my spirit alive But like a knife in the woods Yeah, you hunt down the good in me Like a knife in the woods Yeah, you hunt down the good in me Like a knife in the woods Yeah, you hunt down the good in me

One temptation sparked this Now I can feel the darkness It's my own fault but you had this planned All of me, you take now, like criminals and shakedowns Yeah, you make me forget who I am

Your heart's a vine that I've bled trying to climb Yeah, you're making a ruin of me Try to survive, keep my spirit alive But like a knife in the woods Yeah, you hunt down the good in me But like a knife in the woods Yeah, you hunt down the good in me, hey Like a knife in the woods Yeah, you hunt down the good in me

All of your good is mine All of your good is mine All of your good is mine All of your good is mine

Like a knife in the woods Yeah, you hunt down the good in me, hey
