

While You Count Sheep

Jon Bellion

Dum, dum, dum, dum, dum, dum
Dum, dum-dum, dum, dum, dum, dum
Beautiful, Mind, Mind, Mind
She's literally like 5 feet away from me
While I'm recording this, sleeping on the couch
This is for her, sleepy ass

I wrote this while I'm watching you sleep
You're behind me on the couch and in the studio
So I'm gonna make this all about sleep
And soft so I don't wake you up
You're smiling as you sleep so you dig it
Only I can make some soft shit and rip it
I knew you were dope from the jump like ribbit
Cuz all these other girls fall short like midgets

The Sandman gonna flip when he come through
While you count sheep I'll give him music to jump to (2x)
While you count sheep I'll give him music to jump to (3x)

I wrote this while I'm watching you sleep
Your hair is all over the place and I love it
I won't put the bass in this beat
If it knocks I might wake you up
You're smiling as you sleep so you like it
She just let me work cuz she know I cook diamonds
She know I'm paid but she still 9-5ing
That's why she allowed to hang while I'm writing
Hahaha

The Sandman gonna flip when he come through
While you count sheep I'll give him music to jump to (2x)
While you count sheep I'll give him music to jump to (3x)

Dopest musical breakdown ever, ready?
If I make this
Then maybe you will wake up and get naked
Girl I'm playing, girl I'm playing, girl I'm playing
Maybe not

Dum, dum, dum, dum, dum, dum
Dum, dum-dum, dum, dum, dum, dum (6x)

Uhhhh, look who finally decided to wake up?
