

Things That You Say

Jon McLaughlin

I'm not a fool
I know all the rules
You can't trick me, get one by me
There's nothing i haven't seen before
How can you be sure you're the only one who's working an angle
tonight
So if we're gonna play this game look me in the eye and...

Tell me you're in love i'm the only one
Go on and lie to me with all the things that you say
It's alright
Just give me tonight
Go on and lie to me and i'll believe the things that you say
Show me what you want
Anything i got you can take it, fake it, make it
Whatever you're needing to believe
If we both agree we can't say we didn't see what was coming tonight
So if we're gonna play these parts
Look me in the eye and...

I know you're not making sense
I know this is all pretend
But your dishonesty is killing me
So, baby, i'm all in
