

# Just Friends

Jonas Brothers

There she goes again  
The girl I'm in love with  
It's cool we're just friends  
We walk the halls at school  
We know it's casual  
It's cool we're just...

I don't wanna lead you on  
No  
The truth is I've grown fond  
Yeah

Everyone knows it's meant to be  
Falling in love, just you and me  
'Til the end of time  
'Til I'm on her mind  
It'll happen  
I've been making lots of plans  
Like a picket fence and a rose garden  
I'll just keep on dreaming  
But it's cool cause we're just friends

Small talk on IM  
Just one word sentences  
It's cool we're just friends  
And if I had my way  
We would talk and talk all day  
Yeah

Everyone knows it's meant to be  
Falling in love, just you and me  
'Til the end of time  
'Til I'm on her mind  
It'll happen  
I've been making lots of plans  
Like a picket fence and a rose garden  
I'll just keep on dreaming  
But it's cool cause we're just friends

Thinking about how  
We're gonna say our vows  
It's cool we're just friends  
As she walks down the aisle  
I see all my friends smile  
Cause now we're more than friends

Everyone knows it's meant to be  
Falling in love, just you and me  
'Til the end of time  
'Til I'm on her mind  
It'll happen  
We've been making lots of plans  
Like a picket fence and a rose garden  
I'll just keep on dreaming  
Keep on thinking  
Of when we used to be just friends

La la la la  
La la la la  
La la la la  
When we used to be just friends  
(when we used to be)  
La la la la  
La la la la (yeah)  
La la la la (yeah)  
When we used to be just friends
