

# Paranoid

Jonas Brothers

1. I make the most of all this stress I try to live without regrets  
But I'm about to break a sweat I'm freakin' out  
It's like a poison in my brain it's like a fog that blurs the sane  
It's like a vine you can't untangle I'm freakin' out  
Every time I turn around something don't feel right
  
- R1: Just might be paranoid I'm avoiding the lies  
Cause they just might slip can someone stop the noise?  
I don't know what it is but I just don't fit  
I'm paranoid yeah!
  
2. I take the necessary steps to get some air in to my chest  
I'm taking all the doctor's meds I'm still freakin' out  
That's why my ex is still my ex I never trust a word she says  
I'm running all the background checks and she's freakin' out  
Every time I turn around something's just not right
  
- R2: Just might be paranoid I'm avoiding the lies  
Cause they just might slip can someone stop the noise?  
I don't know what it is but I just don't fit  
Consider me destroyed (Consider me destroyed) I don't know how to act  
Cause I lost my head I must be paranoid (Must be paranoid)  
And I never thought it would come to this I'm paranoid
  
- \*: Stuck in a room of staring faces caught in a nightmare, can't wake up  
If you hear my cry, running through her street  
I'm about to freak, come and rescue me
  
- R3: Just might be paranoid (Might be paranoid) I'm avoiding the lies  
Cause they just might slip can someone stop the noise?  
(Can someone stop the noise)  
I don't know what it is but I just don't fit  
Consider me destroyed (Consider me destroyed) I don't know how to act  
Cause I lost my head I must be paranoid (Must be paranoid)  
And I never thought it would come to this I'm paranoid
