Music Turn on that radio As loud as it can go Wanna dance until my feet can't feel the ground (feel the ground) Say goodbye to all my fears One good song may disappear And nothing in the world can bring me down (bring me down) Hand clapping Hip shaking Heartbreaking There's no faking What you feel when your riding home Yeah, yeah Music's in my soul I can hear it everyday, everynight It's the one thing on my mind Music's got control And I'm never letting go, no no I just want to play my music Whoo (music) Got my six string on my back Don't need anything but that Everything I want is here with me (here with me) So forget that fancy car I don't need to go that far What's driving me is following my dreams, yeah Hand clapping Earth shaking Heartbreaking There's no faking What you feel when your on a roll Yeah, yeah Music's in my soul I can hear it everyday, everynight It's the one thing on my mind Music's got control And I'm never letting go, no no I just wanna play my music I just wanna play my music Can't imagine what it'd be like Without the sound of all my hero's singing all my favorite songs So I can sing along Music's in my soul I can hear it everyday, everynight It's the one thing on my mind Music's got control And I'm never letting go, no no I just wanna play my music Music's in my soul
