Pushin' Me Away

Jonas Brothers

Run, run like you do
I'm chasing you
On your tail I'm gaining fast
You're going nowhere
Try to fix what you've done
Turn back the sun
The night is calling
And we're falling faster now

Pushing me away
Every last word
Every single thing you say
Pushing me away
Try to stop it now but it's already too late
Pushing me away
If you really don't care then say it to my face
Pushing me away
You're push push pushing me away

Stop, tell me the truth
Cause I'm so confused
Spinning round
These walls are fallin down
And I need you
More than you know
Not letting go
Getting close
So take my hand
And please just tell me why you're

Pushing me away
Every last word
Every single thing you say
Pushing me away
Try to stop it now but it's already too late
Pushing me away
If you really don't care then say it to my face
Pushing me away
You're push push pushing me away

Push push pushing me away
Push push pushing me away
Push push pushing me away
Push push pushing me away

Push push pushing me away
Push push pushing me away
Push push pushing me away

Ahhh

Pushing me away
Every last word
Every single thing you say
Pushing me away
Try to stop it now but it's already too late
Pushing me away

If you really don't care then say it to my face
Pushing me away
You're push push pushing me away

Pushing me away

If you really don't care then say it to my face
Pushing me away
You're push push pushing me away

Pushing me away
