

Tear It Down

Jonas Brothers

Tear it down
Haha Tear it down
Yo luke,
I need you to do somethin' for me
Come on

I was ready for this since
I was cradelin'
Put my name on the list,
You wont' be givin' in
Not gonna leave with just this,
We takin' everything

Confidence, compliments,
Preciously is livin' it

Catch me if you can,
I'm like a bandit
I can float off my feet,
You can't stand it
I don't just answer the group,
I comman it

Give you more than you want
And you can handle it

When we're out on the floor
We'll take over the bar
Strealin' the show
We're gona leave you in awe
We're comin' out
Well we're comin' out
We gon' tear it down

You can't stop us now
You can't shut us down
You can't stop the sound
Better get ready now
We gon' tear it down

The looks, We got 'em
The moves, We got 'em
The style, We got it
We gon' tear it down

The love, We got it
The crowd, We own it
Tonight, We run it
We gon' tear it down

Aha, come i here so hot
I'm on my A-game
Don't dispute the Art
I'm like a heavy weight
Yeah, I got this vibe
I'm a renegade

A-game, heavy weight,
Renegade, lucy gate

I can do this dance
With my eyes closed
When I step on the scene
I leave my all fro
You want to rubber with me
I write the rella coat

Peeta payta moma stakes,
Set the rage shake

When we're out on the floor
We'll take over the bar
Strealin' the show
We're gona leave you in awe
We're comin' out
Well we're comin' out
We gon' tear it down

You can't stop us now
You can't shut us down
You can't stop the sound
Better get ready now
We gon' tear it down

The looks, We got 'em
The moves, We got 'em
The style, We got it
We gon' tear it down

The love, We got it
The crowd, We own it
Tonight, We run it
We gon' tear it down

Oh oh oh oh...

We gon' tear it down

Yes yes, we the ones
Who contest with it
Recognize we the best
I can bet it
Slow dancin' right

Give hands a clap
Of course you know that
You can't hold
We came to do our thangs
Tear it up

Man we takin' names
It's not a game
It's a shame
You can't be like us
We'll leave you in the dust
Of course we tear it up

When we're out on the floor
We'll take over the bar
Strealin' the show

We're gona leave you in awe
We're comin' out
Well we're comin' out
We gon' tear it down

You can't stop us now
You can't shut us down
You can't stop the sound
Better get ready now
We gon' tear it down

The looks, We got 'em
The moves, We got 'em
The style, We got it
We gon' tear it down

The love, We got it
The crowd, We own it
Tonight, We run it
We gon' tear it down
