

# Tonight

Jonas Brothers

Well here we are again  
Throwing punch-lines no one wins  
As the morning sun begins to rise  
We're fading fast  
And we wont work this out

No we're not gonna work this out tonight  
No we're not gonna make this right  
So I'll give a kiss and say goodbye  
blow a kiss and say goodbye  
Cause we're not gonna work this out tonight

Every single words been said  
wuh uh ohh  
Broke each others hearts again  
woah oh oh  
As the starlit sky begins to shine  
We're breakin' down  
She screams loud

No we're not gonna work this out tonight  
No we're not gonna make this right  
oh  
So I'll give a kiss and say goodbye  
blow a kiss and say goodbye

Cause we're not gonna work this out tonight

We don't have to fight tonight  
We just gotta try  
Wanna work this out  
I don't wanna shout  
I don't wanna cry tonight  
We just gotta try  
Tonight

No we're not gonna work this out tonight  
No we're not gonna make this right  
So I'll give a kiss  
and say goodbye  
give a kiss and say goodbye  
Cause we're not going to work this out tonight

And all the empty spaces will fill  
Tonight  
We're gonna try and get it down and baby your gone  
Tonight  
since you've been wrong

And all that ends  
Tonight.
