

# You Just Don't Know It

Jonas Brothers

You just don't know it  
It's getting hard to say hello  
You just don't know it  
I'm on the edge of crossing the line  
I don't want to blow it or show it  
Before you know you're mine  
You just don't know it

[Chorus:]

Oh, you won't see me break  
Won't make that mistake Oh no  
I'll just walk away  
There's too much at stake right now  
I go on and on  
Singing this song about you  
And that's what's wrong with this song

Can you feel it?  
In the way I look at you  
Girl, can you hear it?  
I'm crying out inside  
I don't want to see you  
Be near you  
You're a million miles too close

[Chorus]

[Bridge:]

You don't know the way I feel (the way I feel)  
So I'll stay alone (stay alone)

[Chorus]

That's what's wrong  
That's what's wrong with this song  
That's what's wrong with this song  
That's what's wrong with this song

You just don't know it.
