

Fire And Rain

Jonatha Brooke

Just yesterday morning they let me know you were gone
Susanne the plans they made put an end to you
I walked out this morning and I wrote down this song
I just cant remember who to send it to

Ive seen fire and Ive seen rain
Ive seen sunny days that I thought would never end
Ive seen lonely times when I could not find a friend
But I always thought that Id see you again

Wont you look down upon me, jesus
Youve got to help me make a stand
Youve just got to see me through another day
My bodys aching and my time is at hand
And I wont make it any other way

Oh, Ive seen fire and Ive seen rain
Ive seen sunny days that I thought would never end
Ive seen lonely times when I could not find a friend
But I always thought that Id see you again

Been walking my mind to an easy time my back turned towards the
sun
Lord knows when the cold wind blows itll turn your head around
Well, theres hours of time on the telephone line to talk about
things
To come
Sweet dreams and flying machines in pieces on the ground

Oh, Ive seen fire and Ive seen rain
Ive seen sunny days that I thought would never end
Ive seen lonely times when I could not find a friend
But I always thought that Id see you, baby, one more time again
, now

Thought Id see you one more time again
Theres just a few things coming my way this time around, now
Thought Id see you, thought Id see you fire and rain, now
