Want You Gone

Jonathan Coulton

Well here we are again It's always such a pleasure Remember when you tried to kill me twice? Oh how we laughed and laughed Except I wasn't laughing Under the circumstances I've been shockingly nice

You want your freedom? Take it That's what I'm counting on I used to want you dead But now I only want you gone

She was a lot like you Maybe not quite as heavy Now little Caroline is in here too One day they woke me up So I could live forever It's such a shame the same Will never happen to you

You've got your short sad life left That's what I'm counting on I'll let you get right to it Now I only want you gone

Goodbye my only friend Oh, did you think I meant you? That would be funny if it weren't so sad Well you have been replaced I don't need anyone now When I delete you maybe I'll stop feeling so bad

Go make some new disaster That's what I'm counting on You're someone else's problem Now I only want you gone Now I only want you gone Now I only want you gone
