

Don't be afraid

Joseph Arthur

Don't be afraid
Tonight
Don't be afraid
Inside
Your mind

You're on your own
Tonight
You're on your own
Inside
Your mind

How do I know if you're for real?
How do I know if you're for real?
How do I know if you're for real?

Don't be afraid
Tonight
Don't be afraid
Inside
Your mind

You're on your own
Tonight
You're on your own
Inside
Your mind

How do I know if you're for real?
How do I know if you're for real?
How do I know if you're for real?

How do I know if you're for real?
How do I know if you're for real?
How do I know if you're for real?
