## Don't be afraid

## Joseph Arthur

```
Don't be afraid
Tonight
Don't be afraid
Inside
Your mind
```

You're on your own Tonight You're on your own Inside Your mind

```
How do I know if you're for real?
How do I know if you're for real?
How do I know if you're for real?
```

Don't be afraid Tonight Don't be afraid Inside Your mind

You're on your own Tonight You're on your own Inside Your mind

```
How do I know if you're for real?

How do I know if you're for real?

How do I know if you're for real?

How do I know if you're for real?
```

How do I know if you're for real? How do I know if you're for real?
